

A National Trappers Association Convention in Escanaba???

The U.P. Trappers Association has been asked by the Convention and Visitors Bureau to put in a bid to host a National Trappers Association convention at the U.P. State Fairgrounds in Escanaba. Six or more buildings filled to capacity with trapping supply dealers, local vendors of all kinds, other outdoor groups promoting their sports, trapping and predator calling demos, etc., etc. Five or six thousand trappers and other outdoor enthusiasts spending one or several days in Escanaba. A big boost for the community, the Upper Peninsula, our local merchants, and the entire outdoor community. But this can't happen without hundreds of volunteers!

Please consider helping out yourself and if you belong to any other outdoor organizations see if your fellow members have any interest in helping the U.P. Trappers Association pull off this spectacular event. Then check the box below and get your contact information to Bob Steinmetz who is compiling a database of people willing to commit to helping out when the time comes. The U.P. Trapper's Association won't even consider bidding to host a national convention without an adequate number of committed volunteers.

Yes, I would like to see a National Trapper's Association convention in Escanaba. Getting five or six thousand outdoor advocates descending on Escanaba can only be good for trappers and other outdoor sportsmen in the Upper Peninsula!

Please add me to the list of people willing to help out at an NTA convention, should one be held in Escanaba in 2012 or 2013. I am willing to put in at least one day to help with setup, take entrance fees at the gate, etc. – and will do everything I can to be available when the time comes.

Please Sign me UP!!!!!!!!!! Mail to: Bob Steinmetz, 4984 Karen 17.25 Street, Escanaba, MI 49829 or give him a call at (906) 786-6265. Or send an email to bobsteinmetz@charter.net or beaverbob@uptrappers.com. Bob will add you to a database of perspective volunteers. Please include the following contact information:
